About Us

Seaview Manor is a compassionate provider of resident centered continuing care serving primarily Zone 3 of the Nova Scotia Health Authority. We are located on the scenic coast of Glace Bay, just 20 minutes from Sydney. We are committed to providing an optimal quality of life for our residents and provide individuals a full scope of programs and services through a safe, nurturing, and caring environment.

Role Summary

The LPN plays an autonomous and supportive coordination role in a collaborative care model providing holistic, resident focused care to meet the defined needs of individuals and families. The LPN develops therapeutic and professional relationships with Residents and members of the Health Care Team respectively for providing safe, effective, and ethical care to a defined group of residents with stable and predictable outcomes.

The LPN utilizes foundational nursing knowledge, evidence, critical thinking, and judgment to provide safe, competent, compassionate, ethical nursing care on both an independent and collaborative basis respecting the LPN scope of practice.

Qualifications

- Successful completion of LPN program
- Registered and in good standing with the Nova Scotia College of Nurses
- Proficiency in Microsoft Office applications
- Experience in long term care setting would be an asset, but not required

Performance Requirements

- Must exhibit leadership qualities and work with minimal supervision.
- Must be a team player collaborating with other members of the Resident Care team.
- As a member of the team, LPN must apply practical nursing theory in the assessment and evaluation of residents.
- Must exhibit leadership qualities and work with minimal supervision, required to perform all tours of duty.

Interested applicants are invited to submit a cover letter and resume noting the **Posting Number, 2024-001-LPN-PFT-01**, to careers@seaviewmanor.ca. We thank all those who apply, only those selected for further consideration will be contacted.
